High School	UIN#

What department in the College of Engineering have you been admitted to?

Have you formally accepted our offer of admission?

## PERSONAL STATEMENT:

*We are not looking for any predetermined set of answers, but would like to get a sense of your curiosity, initiative, and interests; how you think about yourself and your engineering education; and how you would contribute to the iFoundry class and community. (Please keep your answers under 300 words)*

1. Describe the most important activity, experience, person, or reading that inspired you to choose engineering for your future.
  
  
  
  
  
  
  
  
  
  
2. List two courses outside a standard engineering curriculum that you would most like to take. Briefly explain what interests you about these courses.
